

1.3 Types of the business

Apart from the core business in providing all types of life reinsurance, the Company sets aside part of the written premiums as reserves and invests such amount to generate returns to cover its contingent liabilities. Therefore, investment also plays a crucial part in the Company's core activity.

The Company diversifies its investment in a variety of short-term and long-term securities, both debt and equity instruments, and complies with regulations under the OIC's Notification Re: Investment in Other Businesses of Life Insurance Companies
